In a fantastic final week of the season, the final 5 players left included **Malcolm Howell**, **Andy Duncan** and **Richard Davis**, all of whom could lift the Title. **Andy Duncan's** dreams of a first-ever BCPC win were shattered when he exited in 4th place which gave **Malcolm** the Title and he went onto win on the night with **Richard** (in his last BCPC game) finishing 2nd.

Paul Melia clinched a first-ever seat by finishing 6th in the table and **Brian Yates** edged into 7th spot after recovering from less than a Big-Blind at the 150-300 level to finish in 5th on the night.

Malcolm becomes the first player to win a seat in 5 consecutive seasons and also the first player to cash in 11 different games.

GOOD LUCK IN VEGAS

Next week **Tod Wood** flies off to the warmer climate of Las Vegas to represent the BCPC as our first "Vegas Dream" event winner. There he will play 2 tournaments for the club with all of the players who played the Final Table sharing 50% of any winnings he collects in those events.

Also on the trip will be **Matt McKinlay** and **Steve Bayliff**, which should mean that for a week, Vegas will be even louder than normal !

WELCOME NEWCOMERS

As you will soon be aware, we are welcoming several new players for Season 7 as the Club hits it's 30-player capacity for the first time, so it's a big hello to **Steve Smart**, **Gary Peniket** (weren't you on the telly once?), **Dan Yale**, **Steve Ramsey**, **Steve Ball**, **Jody Boston**, **Alan Waters** and **John Harfield**.

Also, a big welcome back to Season 5 Champion **Clive Padden**, **Steve Bayliff**, **Ant Williams** and **Steve Freer** who are all back in the fold after taking time off.

Due to the expanding numbers, we will now be starting at 7.15pm prompt. If you cannot make a game for any reason but have not rung me on 07786 167 956 by 6.30pm on Matchnight, then it will be assumed that you are attending and you will be listed on the computer as playing and will therefore be subject to the £10 match-fee.

We are losing the 100/200 level and also the 500/1000 level this season and the first break will now be following Level 3 with the meal break after Level 5 at about 9.30pm. Also we will be reverting back to 10-handed tables.

On Matchnights the first person eliminated will be required to take a card round the pub to boost Club funds.

Also, the "Shirt Of Shame" must be worn by the player who is bottom of the League. If 2 or more players are tied, then the first player eliminated will be deemed to be bottom and be required to wear the dreaded yellow jersey for the duration of the following game.

There are often cash games played after players are eliminated on the night and we will also start to run Satellites for our "Vegas Dream 2012" event which will be played next September. Entry to this is £100 per 5000 chips so when 8 players are out, get £12.50 off each and organise a SNG with the winner getting a seat into this event.
