TOD SETS NEW RECORD

With his second place finish in Week 2, **Tod Wood** has now reached a career-profit in BCPC games of **£696**, setting a new record high.

CURRENT STREAKS

Several players are on long streaks since winning a game. These are.....

39 games -**Matt Wilson**, 37 **Graham Gorton**, 31 **Nic Rawlings**, 25 **Claire Thornton**, 23 **Jake Poxon**, **Kev O'Driscoll**, 22 **Dawn Wilson**.

Nic, **Jake** and **Dawn's** streaks are also active for most games played before winning and if **Nic** fails to win this season, his streak (33) would then be the 3rd longest of all-time.

BCPC GOLF DAY 2016

8 players took part in this year's Annual event which was played at Birmingham's Lickey Hills course for the first time. **Andy & Debjani Duncan** were defending the Title that they jointly shared in Telford in 2015 and **Andy** made a cracking start , scoring Stableford points on each of the first 9 holes. **Dale Macchiarelli** had started 9, 13, 7 but then roared back by parring successive holes and at the half way mark, was tied with **Andy** on 24 points. Unfortunately, **Dale** then picked up a wrist injury and after trying to carry on, found that he could not and had to retire hurt. **Andy** though, lived up to his "Mr Consistency" Title by continuing to score on every hole to roar to victory, shooting a round of 109, which playing off a 50 handicap, saw him shoot a net -9 for 45 points.

Tod Wood came in second with a net Level Par 104 for 37 points and a day's-best 3 pars while **Brian Yates** was 3rd with 108 for a net +4 and 32 points.

Debjani Duncan played the shot of the day when on the 17th fairway, she slammed her second shot through the back of the buggy sitting 40 yards away and straight into the windscreen. This Buggy had just been vacated seconds earlier by **Brian Yates** and **Ant Williams**!

There have been calls to maybe play at both the start and end of each summer so that may well be a possibility for 2017.

PAYOUTS FOR SEASON 16.

At the recent Committee meeting, the following payouts were agreed for Season 16.....

Winner - £500 seat + £200 seat

Runner-Up - £500 seat

3rd & 4th places - £400 seats

5th & 6th places - £200 seats

7th & 8th places - £150 seats

UKIPT COMES TO BIRMINGHAM

The UKIPT hits Birmingham next month with the feature event being a £770 buy-in with Day 1's on Thursday October 6th & Friday October 7th with Saturday 8th hosting Day 2 and the Final Day on Sunday 9th.

There are also several side events including the £330 "Birmingham Cup" and a £220 PLO Double Chance event.

Would anyone be interested in the BCPC running a live satellite to win seats to these events?

With a £50 buy-in and a £25 add-on Deepstack event, we could certainly generate at least 1 seat for the Main Event with the potential for a side event entry for the runner-up.

If you are interested, then please let me know TONIGHT!
