This season could yet be one of the most exciting that we have seen in recent times. As we head into Week 5, every single player can still take the Title.

MILESTONES

Congratulations to **Simon Smith** who this week took over from **Tod Wood** as the BCPC's No.1 ranked player. **Simon** becomes the 13th different player to top the rankings in the Club's history.

Matt Wilson has now gone 44 games since he last won one and that is now the 3rd-worst streak of all time.

Amy Coshan now has the Club Record for best Final Table % after making her 8th appearance in her 10th game in week 4 (80%).

RECENT CASHES

It was “Magnificent **Mark England**” last weekend in Birmingham as he brought his A-game for two days to the 25/25 series and came so close to glory, eventually finishing runner-up for **£6500**, of which fellow BCPCers **Steve Healey** and **Nic Cross** collected **£650** each for their 10% investment in **Mark's** talents.

Tony Trippier also had a good Sunday night, taking **£100** in one comp on Grosvenor Poker and then finishing 4th in the Cheltenham Cup comp for **£364**.

BAPWAC (Or for **Matt Wilson**, **B**ag **A** Pair, **W**in **A** Chair)

For the first time since it started, the BAPWAC kitty has now reached £100 without anyone yet having bagged a pair. Therefore, tonight's kitty will be £150 so make sure you get in early if you want a chance of winning that seat. Remember, everyone who bags a pair gets a share of any winnings made.

THE BCPC HITS 100!

Hopefully, you all enjoyed our 100th game two weeks ago and congratulations to **Kev O'Driscoll** who beat **Chris Baker** in a drunken Heads-Up to lift the trophy and **£225**. **Chris** asked next morning where he had finished and referring to the extra **£225** that appeared overnight in his pocket, said "I wondered where that had come from!"

BCPC HAS IT'S FIRST CENTURIAN

Tonight is the 101st game in the history of the BCPC but for Club founder **Brian Yates** it has special significance as he becomes the first player to make 100 appearances.

Brian's only absence came on the weekend of his Daughter's wedding in December 2015 and despite his 17 seasons of trying, he has still not yet managed to win the coveted League Title.

He has won a Summer Deepstack, been part of a winning BCPC Team Championship success, won the Online league and Premiership and twice been Heads-Up Champion. Yet 2nd place in Season 1 when **Tony Trippier** edged him out on the last day, is still his best League performance.

During his BCPC always been a strong and has a total of 12 in that arena and has Player Of The Year Season for Season 8, awarded a trip to Las Vegas which he will be taking up in June

His biggest win at in 2009 when he was Amateur Champion, player to win a live

Medal and then last year became only the 3rd player to win two live APAT Titles with victory in the Team Championships in Luton.

He also represented England on 3 occasions, once as Captain, winning a Silver and Bronze medal in the process.

2016 was also memorable as he took down a GUKPT side event in PLO and then 2 weeks later cashed in his first WSOP event in Las Vegas, also in PLO.

Below is a summary of Brian's 99 BCPC games....

career, **Brian** has supporter of APAT medals for successes also been online and Player Of The for which he was Vegas, which he will of this year.

APAT came in Dublin crowned Irish making him the first and online Gold

Best League finish - **2nd** (Season 1).....worst finish - **20th** (Season 10)

Brian is one of only 3 players to have played all 17 BCPC Seasons and is the only player to have scored at least a point in all 17. He is also lying **3rd** in the list for Total Points Scored, one of only 3 players with over **300** career points.

From 99 games he has **10** top 3 finishes, which places him **9th** All-Time, with **4** being wins and is equal **5th** on the list of Club Cashes with **13**. He has also gone out first on **6** occasions (BCPC record!) yet has worn the Shirt Of Shame just **once**. Despite this, his BCPC League career puts him currently on a net loss of **£421**. He holds the record for biggest loss reached at **£453** although **Paul Foy** will take that one away if he plays tonight and does not cash.

He averages **18.23** points per season (**16th**) and is **10th** on the list for most seats won with **4**, although he has cashed on **3** occasions.

He once went **40** BCPC games without a win and his current losing streak stands at **8** games.
