## **FINAL WEEK SCENARIOS**

Just 5 players are still in with a shout of lifting the trophy going into the final game of Season 20 with the Top 2 both looking to make history. After the first ten BCPC Seasons, neither **Tod Wood** or **Steve Healey** had lifted the Title but in the next 9 campaigns, they both did so on two occasions, **Steve** in S10 & S12 & **Tod** S13 & S16. Tonight, one of them looks likely to become the first player to win three BCPC Titles with **Tod** the odds-on favourite. His impeccable form early on saw him pull 13 points clear but **Steve** hit back with top 2 finishes in weeks 4 & 5 to cut the gap to just 2 points, ending his 37-game streak without a win in week 5. **Tod** would need to finish 5th tonight to score any points and should he not do so, 2 points would put **Steve** ahead of him, although **Steve** would have to finish 8th at least to get those points. That gives **Tod** an unusual advantage in many ways tonight. In a normal scenario for week 6, the League leader is under enormous pressure just to survive as everyone knows what he has to do. Tonight, needing a top 5 spot to improve his points tally, should **Tod** be seated on a table with any of his rivals, HE can become the aggressor and go after them with little downside.

Currently sat in 3rd place is **Nitendra Patel**, who is quickly becoming one of the most consistent players at the Club. He is just 3 points back, but needs to hit the top 5 tonight for the 4th time this season before he scores any points. 3rd place is his minimum requirement to have any chance of becoming Champion after finishing runner-up last season. For **Liam Pickering** and **Kevin Berrie** in the 4th and 5th places, the gameplan is simple tonight...only a win will do if they want to win the Title for the first time ever.

**Tony Trippler** requires a 7th place finish to guarantee yet another seat while **Trevor Greenway** & **Rich Hughes** can secure one by reaching 6th. **Charles Mason** needs 5th minimum and **Claire Balley** 4th place, although they are all currently in the top 10 and so other players need to step up and score points tonight in order to pass them.

For the rest of the field outside of the top 10, here is what you need to do tonight to have any chance of winning a seat...

WIN - **Matt Kay, Paul Foy, Warren Carless, Tom Cawley, Laura Rhoden.**

2ND - **Adam Phelan, Nic Rawlings, Gareth Howard.**

3RD - **Amy Coshan, Matt McKinlay.**

4TH - **Brian Yates**

6TH - **Adam Smith, Ricky Buckland, Dan Ryder.**
