The Final game of the 2024 PLO Super Summer Sizzler Series (Progressive Bounty) was a cracker and as we reached the final 5 players, 4 of them were still in with a chance of lifting the trophy for the first time.

LIAM PICKERING had led the way for most of the night and he knew that even a 3rd place finish could see him become Champion but his exit in 5th place eliminated **GARETH HOWARD** from the Title race & also left **LIAM** needing **CRAIG STANDEN** to go out next to have the chance of him being runner-up.

This looked unlikely with **CRAIG** holding nearly half the chips in play but that changed when **GAZ** got it all-in & turned a flush vs **CRAIG** to take over the chip-lead....only to give them all back next hand!

MATT MCKINLAY was the wild card in all of these scenarios, knowing he was the only one who hadn't got a chance of making the top two & he then cracked **ANDY DUNCAN'S** AAxx before **CRAIG** finished him off to leave **ANDY** out in 4th on 23 points.

ANDY could still win the league now, but only if **CRAIG** didn't win the game & he could get 2nd if **GAZ** didn't win the game, but **CRAIG** would be Champion if he wasn't next out & when **GAZ** eliminated **MATT** in 3rd, **CRAIG** was the new Champion.

Still loads to play for though as **GAZ** would be runner-up if he could take **CRAIG** out Heads-Up.....but it wasn't to be & **CRAIG** picked up the Title, Trophy, entry to the Battle Of The Champions, £250 for winning the league, £155 for winning the game....and £106.25 in bounties....I think you can call that a good night's work.

ANDY took £100 for the runner-up spot in the League to end what was certainly the best PLO series we have had since it's inception.

For the 2025 series, the 4/5/6 July game will be replaced by a PLO / PLO8 "Level Of Each" game....see you all next summer.

CHAMPIONS LEAGUE VIII

The 8th playing of the Champions League will take place in Malvern on **SATURDAY OCTOBER 12TH** and for the first time it will feature players from 3 Clubs, as Malvern Poker Club defend the trophy & **CRAIG STANDEN** brings his Nuts Poker team to join the BCPC in trying to bring the trophy home.

Our 3 teams of 4 have been chosen from the finishing League positions from Season 28, with players currently playing Season 29 getting first chance to compete.

Our teams are....

A-TEAM - **AMY COSHAN** (3RD), **BRIAN YATES** (6th, CAPT), **STEVE HEALEY** (8th), **HITENDRA PATEL** (11th).

B-TEAM - **ROB HEWLITT** (17th, CAPT), **DAVE WHITELEY** (19th), **MATT JUDGE** (20th), **TONY GRIFFITHS** (23rd).

C-TEAM - **ADAM SMITH** (24th), **EDDIE JUDGE** (25th), **CHARLES MASON** (31st, CAPT), **RICHARD HUGHES** (34th).

The 36 players from the three clubs will play 9-handed on 4 tables with the top 4 from each table making it through to the last 16 & in the points. No player from the same TEAM will be on the same table as a team-mate in the first round but the draw will be random from the last 16 to the finish. You carry your chips over from the first table into the last 16.

More details on cost, etc, to follow when we have them.

BRI WINS ONLINE PREMIERSHIP XIII

After losing out to **RORY FORD** in the Online Premier League by virtue of having one less second place, **BRIAN YATES** dominated the Live Final from start to finish to take the Premiership Title for the second time, the last time being in the very first season!

BRI picked up £279 for the win, with **RORY** taking home £150 & Darren O'Neill getting £50 for 3rd place.

SEATS TO BE PLAYED

The following seats will expire on **OCTOBER 31ST** and come back to the BCPC if they are not played or transferred and played by a nominated player on or before this date....

These are **MARK ENGLAND**, who is still awaiting his maiden win after 74 games while **PAUL FOY** went 73 games between his first and second win.

LAURA RHODEN won her only game in Season 14 but has now waited 57 games for her second while **JAKE POXON** still sits on 56 games without any win.

Finally we have **ADAM SMITH**, who was sat on 55 games since his last win before he triumphed in Week 1 this season.

ROB is currently sat on 49 games, having won his last game back in Season 7 while **LIAM PICKERING** could also join this exclusive Club early next season, as he is currently sat on 47 games since his only win back in Season 19.
