Players in **BLUE** are not playing tonight. "Last Win" in **RED** are players on their worst-ever run without a win.

### **HIGH-HAND POT**

Tonight's High-Hand pot stands at approximately **£257** for anyone getting QUAD JACKS or better. This has not been won for the last 7 games.

## **WEEK 2 MILESTONES**

**GARETH HOWARD** made the 28th cash of his BCPC career, moving him into outright 4th place All-Time as he chases **TOD WOOD**'s record of 34. He also moved to the top of the League for the 9th time, which is also 4th best All-Time and also chasing another **TOD WOOD** record of 17. His 3rd place finish netted him 10 points, putting him on 375 for his career, moving him into 6th All-Time & in what was a great week for our current Player Of The Year, he advanced his All-Time Profit record to **£929.75**, stating "A win would have made me the first ever to reach £1000!", which is true.

**BRIAN YATES** opened his account for the season by finishing 5th, which advanced his Club Records for career points to 538, Most Final Tables Made to 86 & Most Games Played to 175.

**NICK TATTON** has only played 5 games but already has 3 Final Tables & in Week 2 he collected his first career cash after finishing 4th (£63).

**CHARLES MASON** rocked the "Ring Of Remorse" in Week 2, but after **TOM CAWLEY** took it to victory in Week 1, **CHARLES** only lasted around 10 minutes and so tonight will wear both the "Shirt Of Shame" and the "Cap Of Crap!"

## **BCPC SUMMER DEEPSTACK XV**

The 15th running of our annual Summer Deepstack takes place next Saturday and will, for the first time, take place at what we are hopeful will be our permanent Saturday venue for future events, which is The Park Inn, George Street, Woodsetton, DY1 4LW.

The game will kick-off at **12.30PM SHARP** and the buy-in is £55 for your 25,000 starting stack (250bb's). Rebuy's @ £50 will be available up until the end of Level 7, where you are allowed to surrender your stack in order to rebuy.

During the first 7 levels, if your stack drops to 10,000 or less, you can take an optional 10,000 chip "Top-Up" for £10. Two of these are available to each player, per buy-in & should you not have used one or both of them by the end of Level 7, then you can take them then at a cost of £10 for 10,000 or £20 for 20,000.

No more NEW entries will be taken after the start of Level 6 (approximately 4.00pm).

## **BCPC TEAM CHAMPIONSHIPS 2025**

Another successful year for our 2025 Flagship event on June 14th with the Club adding £810 profit to our coffers as 18 teams did battle for the coveted shield.

After in excess of 14 hours of play (and even more of drinking for some!), it was Stoke's CHIEFTONIC SUPERSONICS (54 pts) who took the spoils by 7 points from previous Champions ANGIES ROOM (47) with ANGIES ROOM TOO (45) back in 3rd. The best BCPC team effort came from the "B" Team, who were 5th on 41 points.

There were 36 BCPC players in total from the 90 players taking part and **MATT GODWIN** won 2 of his STT games with **BRIAN YATES, GARETH HOWARD, RICKY BUCKLAND, MARK ENGLAND & MATT KAY**, all winning one each. **MATT CROMWELL, MARK POWELL & MATT KAY** made it a BCPC clean sweep in the three MTT games with Mr **KAY'S** victory securing his place as the overall Top Scorer on the day with 25 points. In a strange twist to things, he beat **ADAM SMITH** Heads-Up in the Final MTT & had **ADAM** won instead, HE would have won the £100 for Top scorer BUT....would have cost himself £80 as he had **MATT** in the sweep (who writes this shit!!).

In total, of our 36 players, 9 of them cashed, 21 scored points, with a very disappointing **FIFTEEN** not even managing to register a single point!

The tournament seemed to be a massive success for the Club once again, although the Committee do have a few things to discuss at our next meeting in regards to this event, including whether we move the game away from the Summer as this year there were a lot of players in Vegas for the WSOP, costing us important revenue.

Thanx once again for everyone who helped with the organisation, setting up, running the event, dealing and last but not least, the clearing up afterwards.....it really is much appreciated.

## **BCPC PLO SUPER SUMMER SIZZLER SERIES 2025**

Victory in Game One of our 2025 Series was a triumph for defending Champion **CRAIG STANDEN**, who collected 15 points along with £165 as he beat **ALEX BOLTON** (£95) Heads-Up, with **MATT MCKINLAY** (£66) back in 3rd place. Details of Game Two are below as we introduce PLO8 to this series for the first time ever, which could make things very interesting!

### **GAME TWO** (JULY 18th) - 4 CARD PLO / PLO8 Level Of Each

£15 entry (£15 rebuy for first three 30-Minute levels, with 25-minute levels thereafter) 20,000 starting stack with optional £10 add-on for 10,000 chips at the end of Level 3. All games will be played as 6-max, unless we get more than 12 players, in which case the games will be 8-max until we get down to 12 players, where we would then revert to 6-Max, with a 7-handed Final Table.

### **GAME THREE** (AUGUST 15th) - 4 CARD PLO PROGRESSIVE BOUNTY

## **BCPC ONLINE PREMIER LEAGUE XIV**

We are now 38 weeks into our 2025 OPL season with just 7 to go and Dave Cotgrave & League Champion **RORY FORD** are battling it out for the Title. This Sunday is the 2nd of 3 MTT games which could have a massive bearing on the final positions come August.
